CSI

This year marks a special milestone: ten years after the last edition, we are celebrating the 10th edition of WEN.
And what better way to celebrate than by introducing our very first CSI3* competition!
During this international show jumping event, riders and horses will compete in various classes, with heights reaching up to 1m55. Exciting competitions and challenging courses will put both experience and talent to the test.
The highlight of the weekend will undoubtedly be the Grand Prix, where horse and rider combinations will give it their all to claim victory.
